

Fortune Blackjack™ is an optional bonus wager for standard blackjack.

GETTING STARTED

Make your blackjack wager to play against the dealer. You may also make the Fortune Blackjack bonus wager. Once all bets have been placed, the dealer will give each participating player and themselves their starting cards.

WINNING AND LOSING

Fortune Blackjack bonus wager payouts are based on the player's first two cards and the dealer's up-card ONLY. If the combined total of the three cards adds up to a 19, 20 or 21 you win. See paytable for odds.

Any other three card total and the Fortune Blackjack bonus wager will lose. Once all of the Fortune Blackajck bonus wagers have been resolved, standard blackjack continues.
